Elham Ghasemi

Photographer, Videographer and Editor | 15 Years of Experience

PROFILE

Creative and internationally experienced visual artist specializing in photography, video editing, and album design. Skilled in Adobe Photoshop, Premiere, CapCut, and other editing tools. With a strong artistic background and a collaborative spirit, I enjoy expanding my creative horizons through working in diverse genres and environments. Known for clear communication, adaptability, and a warm, empathetic approach. Experienced in leadership, team mentorship, and managing visual content projects across cultures.

WORK EXPERIENCE

2010-2025
Photographer, Editor, Videographer_Various Projects (Freelance)

• Worked independently across Iran in cities like Tehran, Isfahan, Kurdistan, and Bushehr. Covered genres including weddings, portraits, model shoots, commercial product photography, beauty and makeup content, social media advertising, and real estate visuals. Specialized in creative storytelling through visuals and collaborated with diverse clients and teams.

2022–2025
Remote & On-Site Creative Projects (International) – UAE & Online

• Collaborated remotely with Babak Mehrafshar, an internationally awarded Iranian photographer with UAE Golden Visa, as a real estate photo editor. Later worked on-site with Castle Miracle Garage in Dubai, creating automotive content including videos, before/after transformations, and social media management. Boosted their page from 2K to over 18K followers. Also served as remote video editor for fitness influencer Mina Shahverdi.

2019–2020
Photographer, Editor, Album Designer / Studio Manager – Gravity Studio, Shiraz

•Started as a visual content specialist and was later promoted to internal manager due to strong client communication and operational skills. Supervised assistants, trained junior staff, managed delayed client deliveries (some up to 3 years old), resolved financial settlements, and streamlined project operations.

2018–2019
Tour Leader & Tour Photographer – Korosh Travel, Tbilisi, Georgia

• Led Iranian tours in Georgia, utilizing English fluency, travel experience, and strong communication skills. Worked part-time as a tour photographer. Gained valuable experience in cross-cultural interaction and team guidance.

2013–2018
Founder & Photographer – Atra (later Elli Art Studio), Shiraz

• Established personal photography studio. Initially named Atra (a sacred Persian name meaning fire), later rebranded to Elli Art Studio for international appeal. Specialized in children's photography, while also covering weddings and client orders. Handled all business operations including bookings, editing, and customer service. Hired a secretary as client volume grew.

2010–2013
Trainee Photographer_Homa International Hotel Studio, Shiraz

• Began as an intern after receiving my technical photography certificate. Supported professional wedding photography and editing tasks at a respected hotel studio, assisting my mentor on multiple projects with minimal compensation to gain real-world experience.
